

The Lily of the Valley

ee

**General Meeting May 20, 2009,
9:30 a.m.**

President: Marsha Chadwick

May is an exciting month for the Pewee Valley Woman's Club. I know all of you are looking forward to meeting our three scholarship winners on May 20. Hopefully, some of their family members can attend also. Our scholarships to them are the culmination of a lot of work on your part. Your fundraising efforts have gone very, very well and there's still money in the bank!

I want to thank you for your support of all the officers and me this past year. Beverly will receive the gavel at the May meeting and I will host the joint Board meeting/salad luncheon at my home on June 6 at 10:00 a.m. Current officers should bring their records to this luncheon meeting to give to the new officers. You all are welcome, Board member or not. Please bring a salad to share.

Warmly, Marsha

The Burn Ban began in Pewee Valley on May 1st and will continue through September 9.

Talks continue on making Mt. Mercy Drive a one-way Street. After some discussion it was decided that Marsha write a letter stating that although we are in agreement with the quiet zone initiative, we strongly feel that a one way street in this area will adversely affect traffic and restrict EMS response.

The Pewee Valley Summer Fest is 7/25/09 this year.

Judy Hall added that plans are proceeding with the Greenway, where Pewee Valley will serve as an anchor.
